To use the option of payment for the additional dog the dog's owners details for all dogs must be EXACTLY the same as for the first dog (no co-owners and must be the same address)

If you decide to pay the entries on the first day of the show the last entry deadline price plus the extra amount of 10 EUROS will be charged for each entered dog, regardless of the number of entered shows and no matter on which date the entry was sent!

The table with prices for an entry fee in Euro refers to all the exhibitors (excluding exhibitors from Serbia).

We are kindly asking you to pay your entry fees according to prices in Euro only, and not to

convert prices shown in the table (in Croatian kunas) into your currency.

We are warning foreign exhibitors who pay their registration fees through the bank to

check a list of banks in your own country that have a contract with our bank (Zagrebačka bank dd) to avoid additional transaction costs.

If the bank, via which the entry fee is paid, doesn't belong to the UniCredit Group,

the third transfer bank will be included in the transaction, and will charge its

service.

While making your payment in the bank, please check whether you have to  
pay extra for transfer,

otherwise Croatian Kennel Club will not receive your full payment.

Transfer bank takes its fee and reduces the amount delivered to us,  
and you will later have to pay extra to compensate for the show.
